## 'Roe' Goes Down As Life Lifted Up

'Roe' goes down as life lifted up

Reaction is pouring in following today's announcement by the U.S. Supreme Court overturning the decision almost 50 years ago that legalized abortion across the nation – and took the lives of an estimated 63.5 million unborn babies.

In a 6-3 decision, the Supreme Court has overturned the 1973 landmark case Roe v. Wade, opening the door for states to put a variety of abortions restrictions in place. The ruling – which came in Dobbs v. Jackson Women's Health Organization – came more than a month after the stunning leak of a draft opinion by Justice Samuel Alito indicating the court was prepared to take

this momentous step.

Voting in the majority were Justices Samuel Alito, Clarence Thomas, Neil Gorsuch, Brett Kavanaugh, and Amy Coney Barrett. Chief Justice John Roberts filed a separate opinion, agreeing with the court's decision to uphold the Mississippi law but arguing that the court should not have decided the broader question of whether the Constitution protects abortion at all. The

court's three liberal justices -- Stephen Breyer, Sonia Sotomayor, and Elena Kagan -- filed a joint dissent.

Dobbs was a challenge to a Mississippi law, passed in 2018, that bans virtually all abortions after the 15th week of pregnancy. It had never gone into effect because lower courts blocked the state from enforcing the law. Today's decision reversed those rulings and upheld the Mississippi law.

The ruling in Dobbs also overturns another pro-abortion

# Letter from the Editor

Please pray for me as I received disturbing news from my VA Hospital Retina surgeon appointment August 16, 2022. He told me the artificial lens he used in my last surgery is not stable and I have to come back for another right Eye surgery.

My next more complex right Eye surgery requiring a Retina and Cornea surgeon is set for Monday August 29 at the VA Hospital in Portland, Oregon to place a larger and more stable lens implant.

Thank you for your prayers for restored vision in my right Eye. I've been on an emotional roller coaster ride after the last three problematic right Eye surgeries.

Because of this surgery schedule change, I had to adjust my departure to Israel leaving September 7 from New York Jfk airport arriving September 8 in Tel Aviv, Israel for Israel government and Religious leader interviews regarding the rise of Anti-Semitism in light of new developments in Iran.

My next reporting at the White House is August 22-24 to engage the Biden administration with more challenging questions.

Pray for donations for my Israel trip that are needed for my travel. Donations are tax deductible and can be made online by clicking on the 'Donate' banner at our following web site:

# Christians United for Israel 2022 Washington DC National Summit

by Paul Guisande July 27, 2022

(POCATELLO, Id)—This year's summit was highlighted by some of the nation's most influential and prominent representatives from the United States congress, community leaders and supporters of Israel and the Jewish people. For me it proved to be one of the most inspirational, educational and motivating summits to this date.

A few of the highlights came from former UN Ambassador Nikki Haley, as she delivered a clear and unambiguous quote about what she thinks of any Iran deal signed by President Biden when she said from the stage, "No deal is better than a bad deal. And if this president signs any sort of deal, I'll make you a promise. The next president will shred it on her first day in office."

Haley's assessment of Biden's approach to Iran was

echoed by Senator Ted Cruz (R-TX) when he made it very clear to the Iranian officials that the deal signed by President Obama was not a legislative agreement made by the US congress. America has no obligation to Obama's agreement. Senator Cruz is leading the fight to stop Biden's effort for a new deal with Iran and to stop the Palestinian

consulate from being opened in Jerusalem. He also forced a vote to keep Iran on the list as a terrorist nation.

Senator Tom Cotten (R-AR) concisely summed up numerous elected officials' attitude towards Biden's dealings with Iran when he said, "Joe Biden is sitting down and negotiating with and trying to give away the farm to the ayatollahs." A host of speakers at the CUFI summit expressed strong concern about the current state

## Church Recognizes Armed Vandal 'Has A Soul'

Charlie Butts Reprinted from One News Now by permission (OneNewsNow.com)  
Aug 11, 2022

Members of a Colorado church are "praying for the conversion" of the person who vandalized their parish and school.

In the early hours of Saturday and Monday, security footage shows a gunman on a motorcycle fired bullets from a 9mm gun at the Assumption of the Blessed Virgin Mary Catholic Parish in Denver, causing about \$75,000 in damage.

"We immediately contacted the Arapahoe County Sheriff's Office on both occasions," reports Deacon Derrick Johnson, a spokesman for the church. "They came out, took pictures, took a report, and as far as we know, the investigation is still active. But we do not

know anything at this point on either of the incidents."

Though the motive is unknown, the incident comes at a time when American churches and pro-life organizations have experienced a growing wave of arson, vandalism, threats, and harassment since May, when a leaked U.S. Supreme Court opinion showed the justices were likely to overturn *Roe v. Wade*. LifeNews has documented more than 100 incidents since the leak.

The churches that have been vandalized do support life for the unborn, but as far as Assumption of the Blessed Virgin Mary is concerned, Johnson says another aspect of the case important.

"The person that did this has a soul, and we absolutely care about that soul and want them to come to know the person of Christ," Johnson tells AFN. "We will continue as a community to pray for them, to continue to pray for their conversion and for whatever is going on in their life, whatever hurt is in their heart. We definitely want the love of Christ and the grace of Christ to flow into that."

The church has a school on the property, and even though school had not yet convened for the school year at the time of the attack, security precautions have been taken.

# Hills Alive Free Summer Music Festival

by Camilla Hicks, Glen Rock, Wyoming

(RAPID CITY, Sd) —This family event may spark an interest for your summer plans of “to do’s” in 2023. This event will entertain every age of a families need.

Hills Alive, KSLT 107.1 presented the 36th annual event from what began in 1985 as a “one year vision” (Booklet). July 16-18, 2022 at Memorial Park, Rapid City, SD featured an ultra-lineup of twenty artists from across the globe during their free musical event. Each artist has been inspired by years of classical rock, pop, and R&B admitting the need for an overall work towards a relationship with Christ Jesus.

Artists included Peabod, Jonny Diaz, Jordan Feliz, Mac Powell, Cochren and Company, Jason Gray, Peter Furler (w/ VOTA), Blanca, Jeremy Camp, and Skillet to name a few.

Each group testified to the message of “Eternal life in Christ as their Savior.” Each story, a snapshot of personal transformation, brought through with examples of endurance, perseverance, loss and gain.

We Are Messengers, an Irish American band, emphasized, “The need to work hard, love well, and take worth in the people that surround your life.” Utilizing their own, “messy life” stories Darren Mulligan did not hold back. Calling attention to the value of young ladies. He said, “Society has violated them through media by the way they dress and in their image.” He spoke about his own daughter stating, “The most important thing they need to learn is that they are made and crafted and formed in God’s image.

Equality is not needed to be grasped on the earth,

their daughters of the King of Heaven and have quality with everyone in Heaven. Everything that is the Kings in Heaven is theirs. When you live like that, you can be free. You don’t have to give yourself away cheaply, because you are very valuable. Go easy on yourself. When you look in the mirror don’t believe the lies you tell to yourself. In Jesus name.”

Each year, Hills Alive focuses on a Bible verse theme. 2022 verse came from John 10:9,10, “I am the gate: Whomever enters through me will be saved. They will come in and go out, and find pasture. The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.” – This weekend at Hills Alive, you heard testimonies from people who have chosen “life to the full” through Jesus. We encourage you to say “Yes” to Jesus. (Welcome page of booklet).

This event will meet all the needs of your family. Examples include; accommodations to the handicap, water stations, free Kids Zone Inflatables, exhibits, Children’s Ministry tent, baptisms, artist merchandise, first aid access, nursing facility, free game stations and more. There are hotels near by as well.

Together, with volunteers, vendors, food trucks, sponsors, a vision and you, they have managed to keep the crowds of 20,000 or more coming. Make your plans to join next summer easy and fit for the pocket book, July 15-16, 2023.

# InterMountain Rescue Mission Testimonies

## UTAH

### From Rescue Mission of Salt Lake, Salt Lake City, Utah

#### Sarah's story

Note: Sarah Eliza first shared her life story in the August, 2020 Rescuer. Since then, she has had several struggles, but the spiritual grounding she experienced at the Rescue Mission led her back to the Mission when she needed help again. This is the story of how God worked in her life over the last two years.

I messed up after I graduated from the Rescue Mission in 2020. I'll share more about that later, but first I want to share about the catalyst God used to bring me back to the Rescue Mission to ask for help once again. It was my elementary-aged daughter who God used to put me back on track.

I had reunited with my husband. In the past we have had an abusive relationship, but I thought if I were sober, things would be better. They weren't. The abuse continued and our relationship turned even more toxic as my husband and I began using drugs together, living out of motels. We were unfaithful and my daughter went to live with my brother in the small-town of Henefer, Utah.

I saw her in October of 2020 and we talked about my relationship with my husband, who is not her father. She told me, "mom, you are not good for each other. I am never going to live with you as long as you two are together. I am not going to be in your life if you choose him, so choose him or choose me."

My daughter is nine years old but she could see what was happening to my life. She just had to work up the courage to speak the truth to me. My sister called me later and told me she talked with my daughter. My daughter told my sister that she regretted confronting me. She felt bad about it and wished she could take it back.

But I am so glad she did. I know the parent is supposed to take care of the child, but in that moment God reversed it, and the child took care of the parent.

I told my daughter she was absolutely right to say what she said, and I told her that I choose her. I knew she was never going to feel safe around my husband, who is in and out of prison. I had wanted to make our marriage work and know that God hates divorce, but I have Biblical grounds for divorce and am currently pursuing a divorce. My husband, from his prison cell, is fighting the divorce, so please pray that God would work it out. We have no property, no children, and no assets, so the only reason he is fighting the divorce is to keep control over me.

Nothing has come from our relationship but abuse, betrayal, addiction, and misery. I know God can restore all things, but I truly believe this

relationship needs to end. If God somehow restored our relationship later, it would be a true miracle. I want God's will to be done, so pray that He would do His will in this situation.

It was my relationship with my husband that caused me to come back to the Mission last December after initially graduating from the New Life Program in August, 2020. I did well for about a month after graduating but when I reunited with my husband, who also struggles with addiction, we devolved into a life of drug abuse, infidelity, and homelessness.

I was still working so we had money to live in and out of cheap hotels. But by April, 2021 my job performance (I processed rental applications for an apartment company) had declined so much that I was let go. Without much money and my husband in-and-out of prison for parole violations, my life turned to homelessness and hopelessness once again. It was at that point that I reached out to the Rescue Mission, asking for another chance.

The Mission took me back and helped me get back on track. They took me back based on real love that is dependent on God to make change in my life. They knew I had the tools I needed to stay sober and succeed, I had just abandoned them. With the Mission's help I was quickly able to return to God-enabled sobriety.

I connected with a good local church, New Creation Church in Sandy, and am encouraged by the people and teaching there. With a refocus on healthy relationships, counseling, Bible study, and prayer I have been able to stay sober for six months.

I secured a good job with Salt Lake County's Housing Connect program, which helps people secure vouchers for housing and get Section Eight housing opportunities. Currently, I am the case manager for over 300 individuals seeking housing through the Housing Connect program. It is a rewarding job as I know the realities of worrying about housing and fearing homelessness. By providing my clients with true housing opportunities that they can afford, I believe I am making a difference in their lives.

I am working on getting housing of my own and soon will have enough money saved to get into a place I can afford. I have enrolled my daughter in a charter school nearby my future apartment and hope she will be back living with me in August.

She has thrived in Henefer with my brother's family. She plays volleyball has a great friend in her cousin. I truly appreciate what my brother and his family have done to care for her. At the same time, I want my daughter and me to be a family again. Please pray that our reunion would be a smooth one. Pray that I would depend on God to keep me sober and employed and that God would help my daughter fit into her new school and situation. It is a big step for both of us, but as I told her back in October, "I choose you" and I have done everything possible to choose her ever since.

Thank you so much for supporting the Rescue Mission and giving me not only a first chance, but a second chance at redemption. Your support has meant everything to me and my family and I cannot thank you enough for how you have helped me.

## MONTANA

### From Montana Rescue Mission of Billings, Montana

#### Eileen's story

"I go to recovery group and Bible Study. It's given me hope," she tells us. "This is my first time being in a close relationship with God. He came to me when I was down and didn't know my way. Ever since, I've

become closer to God. I've seen more opportunities for myself."

Looking ahead, Eileen plans to return to school and pursue a career in addiction counseling, with a focus on trauma and domestic

violence.

From personal experience, she knows the value of being in a caring environment and speaking with people who understand the challenges of addiction and homelessness. "At Montana Rescue Mission, they accept everyone for who they are," she says. "I'm very grateful for everything they've done for me."

**"And I will bless them that bless thee, and curse him that curseth thee..."**  
- Genesis 12:3 (KJV)

We believe that the Jewish people have a right to live in their ancient land of Israel, and that the modern State of Israel is the fulfillment of this historic right.

We maintain that there is no excuse for acts of terrorism against Israel and that Israel has the same right as every other nation to defend her citizens from such violent attacks.

We pledge to stand with our brothers and sisters in Israel and to speak out on their behalf whenever and wherever necessary until the attacks stop and they are finally living in peace and security with their neighbors.

The Scriptures promise blessings upon those who love the nation of Israel, and CUFI has prayerfully searched for a way to honor and bless those who have chosen to be part of this holy move of God.

# Life Wins -- Supreme Court Overturns Roe v. Wade

NEWS PROVIDED BY  
Truth & Liberty Coalition  
June 24, 2022

WOODLAND PARK, Colo., June 24, 2022 / Christian Newswire/ -- After nearly 50 years and more than 60 million babies lost, Roe v Wade has been overturned by the U.S. Supreme Court.

In the Dobbs v. Jackson Women's Health Organization case, the Supreme Court sent the issue of abortion to the states to decide. In a majority decision, Justice Samuel Alito wrote, "The Constitution makes no reference to abortion, and no such right is implicitly protected by any constitutional provision."

Just last month, Alito's draft opinion leaked to the media, sending shockwaves through the nation—especially the pro-abortion camp.

According to Andrew Wommack, president of Truth & Liberty Coalition, "While this is a time of rejoicing and expressing our gratitude to the Lord for the brave men and women who made this decision, and all the people who have worked against abortion all these years, we also have to stand strong in the power of His might (Eph. 6:10)—because our work isn't done."

Dozens of states already have pro-life laws ready to enact in wake of Roe's reversal, but Colorado recently passed the most aggressive pro-abortion bill in the nation—allowing the murder of babies in the womb up to the moment of birth.

According to Richard Harris, executive director of Truth & Liberty Coalition, "This is an incredible and wonderful day in the history of America! In Isaiah 28, the prophet laments that Israel made a covenant with death but prophesies in verse 18 that God will disannul that covenant and bless the nation. Today, our national 'covenant with death' has been disannulled. Hundreds of thousands of innocent lives will now be spared in states with the moral clarity and courage to restrict abortion."

Standing for biblical truth, supporting pro-life legislation, and electing strong constitutional conservatives at the local, state, and federal level will be key in protecting the rights of the unborn and ensuring "life, liberty, and the pursuit of happiness" for all Americans.

"Now that we are in the Third Great Awakening, we may see the end of abortion in this generation—but it will take the Church working together to see it come to pass," said Wommack.

## My Letter to the White House Regarding Israel and the Myth of Palestine

by IMCNews Editor Dr. Harper

August 19, 2022

Ms. Karine Jean-Pierre Press Secretary and Deputy Press Secretaries Christopher Meagher, Andrew Bates, Alexandra LaManna and Khanya Brann

The White House  
Washington DC, 20002

Dear Karine, Christopher, Andrew, Alexandra and Khanya,

White House Correspondent Dr. Harper here with the InterMountain Christian News (member of Christian Newspaper Association) and Israel news service 'NEWSRAEL' here to inform you of our audience concerns that referring to Israel as Palestine and to a Palestinian people group fuels Anti-Semitism by inciting people to hate the Jewish people and treating them as occupiers.

What is the Biden Administration response to our Christian and Jewish audience concerns regarding these issues?

Historically, Palestine was an invention of the Roman Emperor Hadrian to separate the Jewish people from their land 'Judea.' Read the following Jerusalem Post article about this matter:

<https://m.jpost.com/blogs/dont-fence-me-in/who-invented-palestine-hadrian-442741/amp>

Read the warning in the Prophet Joel 3:2 of the Holy Bible regarding The GOD of Israel's judgment (anger) on this issue "I will gather all the nations And bring them down to the Valley of Jehoshaphat. Then I will enter into judgment with them there On behalf of My people and My inheritance, Israel, Whom they have scattered among the nations; And they have divided up My land." NASB

There is a blessing for those that bless Israel found in Genesis 12:3 and our audience sees support to divide Israel for a Palestinian state not only angers

White House Principal Deputy Press Secretary Karine Jean-Pierre holds a press briefing on Thursday, July 29, 2021, in the James S. Brady Press Briefing Room of the White House. (Official White House Photo by Cameron Smith)

The GOD of Israel but is a form of cursing Israel and will bring judgment upon the United States and all those who participate in facilitating this division of Israel. Furthermore, our audience sees the foundation of Anti-Semitism rooted in the belief that Israel is an occupier of their land.

"And I will bless those who bless you, And the one who curses you I will curse. And in you all the families of the earth will be blessed." (NASB)

Here is a Working definition of Anti-Semitism below:

"I oppose all forms of Anti-Semitism, including but not limited to dividing Israel with the establishment of a Palestinian state, assault of Jewish people, business deals with Iran, BDS,

funding of Anti-Semitic U.N. agencies like UNRWA and others; defacing Jewish places of worship, business, monuments as well as desecration of cemeteries in Vilnius, Lithuania and elsewhere by building over the graves of the Jewish people. I seek to restore the Jewish cemetery in Vilnius, Lithuania as well as all other Jewish cemeteries to their former glory with gravestones and a fence according to Jewish law and tradition, for no restoration is desecration and violation of religious and human rights of the Jewish nation and especially the descendants of those buried there."

Thank you for addressing our press questions.

Best wishes,  
Dr. Matthew Anthony Harper

### Prayer

Join us in praying for the arrival of the containers of Bibles at the ports of Paraguay and Guatemala. They are very close to arriving. Please join us in praying that they can be released from customs without complications and pray that the Lord will guide each person in charge of receiving the Bibles so they can deliver them to people thirsty to know.

Join us in praying for more people and businesses who are looking to donate Bibles to the Spanish Bible Project. We are halfway to our goal, and our desire is to get many free Bibles into the hands of those who long for the Word of God.

### Praise

Praise God for one of our contacts in the Dominican Republic. He and his family have been working hard to reach children and youth.

They planned a sports tournament called "Honoring the Father" for three consecutive Saturdays. In each meeting, they preached the Gospel and prayed for the children and youth. On the first Saturday, approximately 150 children received Christ into their hearts.

Praise God for volunteers willing to travel and speak about the work at VBB. A couple from the Billings area will travel around the country in their RV, sharing about VBB and raising support. Pray for safe travels and, that God would bless their time with churches and businesses that they visit.

### Updates

The Casper office is looking for a volunteer with decent computer skills who could help with a few ongoing projects. While some of the work could be done from home, it would require the volunteer to be

# White House Correspondent's Protest Letter to Press Secretary

June 20, 2022

Dear Karine Jean-Pierre;

We once again respectfully request the Biden administration - without exception - re-open all of the traditional venues for presidential remarks at the White House, including the East Room and the South Court Auditorium, for any reporter admitted to the White House campus.

The current method of allowing a limited number of reporters into these events is not only restrictive and antithetical to the concept of a free press, but it has been done without any transparent process into how reporters are selected to cover these events. We are all left wondering who is making these decisions and what are the criteria on which they are based?

We appreciate that COVID-19 social distancing guidance played a role at first, but in the year and a half that Joe Biden has been president, and since such guidelines have been eased, we've never gotten an explanation as to why the areas that have traditionally been opened to all press remain restricted.

For any reporter not in the "pool" that covers the president, open press remarks represent the only time most of the reporters who cover the president might be positioned to ask him a question - or interact with him at all.

The continued inability of the White House to be candid and transparent about the selection process for reporters attending his remarks undermines President Biden's credibility when he says he is a defender of the First Amendment.

The incongruity of these restrictions underscores the belief by many reporters that the administration seeks to limit access to the president by anyone outside of the pool, or anyone who might ask a question the administration doesn't want to answer.

Let us be candid. Our job is not to be liked, nor is it to be concerned about whether or not you like what we ask. A reporter's ability to question the most powerful man in our government shouldn't be discretionary. The administration's continued efforts to limit access to the president cannot be defended. Any notion that space is "limited" is not supported by the fact that every other president before Biden (including Trump) allowed full access to the very same spaces without making us fill out a request form prior to admittance.

Thank you for your attention to these ahistorical problems. We ask you to see to it that the protocols are changed back to the access norms of which we are accustomed.

Yours,

# One Trump Hater Out in Wyoming, Second Hopes Alaska Ballot Saves Her

Chad Groening, Billy Davis

Reprinted from One News Now by permission (OneNewsNow.com)

Aug 18, 2022

After her resounding defeat in a Republican primary, Trump-hating lawmaker Liz Cheney is being mocked for comparing herself to Abraham Lincoln and his famous history of suffering defeat at the ballot box.

After a 66%-29% loss to challenger Harriet Hageman, Cheney said in her concession speech “now the real work begins” because she is considering a White House run in 2024. She now has millions in campaign contributions, much of it from Democrats, to do that.

“The great and original champion of our party, Abraham Lincoln, was defeated in elections for

the Senate and the House before he won the most important election of all,” he said. “Lincoln ultimately prevailed.”

Gary Bauer of American Values says Cheney has the gall to quote the most famous Republican in history while she works alongside Democrats who are attacking our rights.

“The Democrat Party,” she says, “is attacking the First Amendment freedom of speech. It’s attacking the Second Amendment right to protect your family with a firearm. It’s attacking the right of assembly. It’s attacking religious liberty.”

On the Fox News program “The Five,” co-host Greg Gutfeld said he felt sorry for Cheney’s bizarre speech that tied her loss to the Civil War and to Union soldiers who fought in it.

“She is nuts, okay?” Gutfeld told his co-hosts. “She’s overtaken with such obsession, and such emotional bitterness, that she has this grandiose view of herself and it’s actually now getting embarrassing. It’s embarrassing for her.”

Alaska’s new ballot a ‘mess’

According to Bauer, the American public should be paying attention to two important national races in

Alaska, where liberal Republican Lisa Murkowski is attempting to keep her seat after voting to impeach Donald Trump.

On Tuesday, the incumbent senator advanced to the November election along with Trump-endorsed challenger Kelly Tshibaka and two other candidates.

“I think anybody that makes predictions about the mess in Alaska,” Bauer, referring to the controversial ranked-choice ballot, “will end up having egg on their face.”

Because of the new ballot, Alaskan voters will see four names vying for the state’s single U.S. Senate seat. Murkoski, 65, has held the seat since 2002 after her father, who was then U.S. senator, appointed her to his seat after Frank Murkowski was elected governor.

The ranked-choice ballot is new to Alaskans, who approved it in 2020 in a referendum called Ballot Measure 2. Voters narrowly approved it by 1%.

In a secretly recorded video, two of Sen. Murkoski’s campaign staffers have acknowledged they worked behind the scenes to approve Ballot Measure 2 knowing it would benefit their boss. The video was recorded by Project Veritas, the guerilla journalism group.

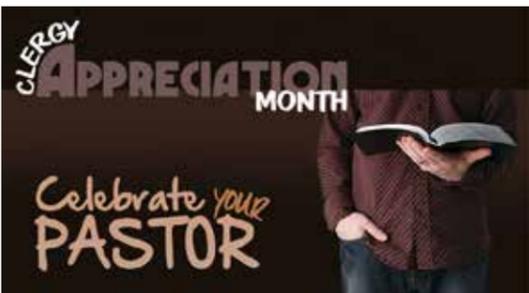

Sarah Palin, the former governor and former vice presidential candidate, will appear on the November ballot along with four others who are vying for Alaska’s sole U.S. House seat.

## October is Clergy Appreciation Month

Source: <http://www.thrivingpastor.com/clergyappreciation>

October is Clergy Appreciation Month. With the shepherd doing so much to encourage the flock, wouldn't it be nice if the flock returned the favor? As teachers, counselors, comforters and the ones who use fishy serve, your pastoral staff and their families could use an extra pat on the back. So go ahead and find your special way to say thanks. You'll be glad you did.

overwhelmed, seems depressed, lets us down or completely burns out.

That’s why God has instructed us to recognize His servants.

“The elders who direct the affairs of the church well are worthy of double honor, especially those whose work is preaching and teaching” (1 Timothy 5:17).

The good news is that we can make a difference! Clergy Appreciation Month is one way we can counter the negative erosion in the lives of our spiritual leaders with the positive affirmation they need.

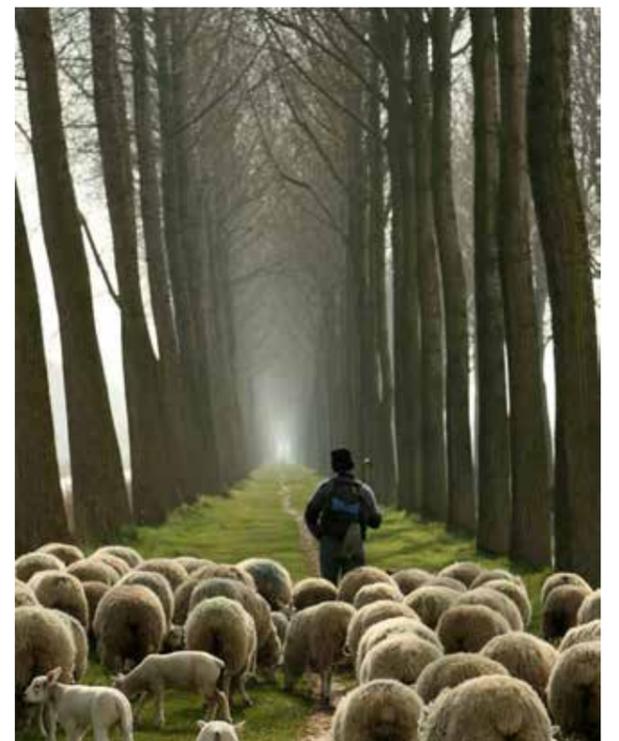

Don’t your pastors and their families deserve this kind of recognition? Do something about it today!

Help your pastors and their families feel appreciated

1. Figure out what you can do personally to recognize and honor these leaders. A simple card, an invitation to lunch, a promise to pray for them or an offer to babysit, wash a car or mow a lawn make wonderful statements.
2. Share the concept of CAM with others in your congregation and challenge them to join you in some kind of formal planning. You might consider a special service of affirmation, a potluck event or planting a tree in their honor. The sky is the limit!

### Guide to Clergy Appreciation Month

Our Clergy Appreciation Month Planning Guide is available online with complete step-by-step instructions and pages of exciting celebration suggestions. It also includes long-term ideas for the

proper care of your pastors and their families. This complimentary guide can be reviewed, downloaded or printed immediately.

There is also a Spanish version of the planning guide for Spanish-speaking congregations and individuals. (También hay disponible una versión gratis de la guía de planificación para iglesias y personas de habla hispana.)

# Gideon Testimony: Gloria's Story

by Daniel P. Kinkdade

Source: <https://gideons.org/blog>

July 29, 2022

What breaks our hearts often leads us to act. John, and his wife Gloria, have been members of The Gideons for over 50 years. Their passion for helping people find Jesus Christ through the truth of Scripture has fueled some of their greatest moments in life and ministry.

## A PARDON FOR THEIR SIN

In 1976, after hearing the testimony of Mary Kay Beard, God began leading Gloria toward jail ministry. She listened to some training from other Auxiliary and started preparing to go. "What pricked my heart about jail ministry was when I read verses about God cleansing us from all iniquity. I knew God could give these women a pardon for their sin. Even though they may have to remain behind prison bars, I wanted to tell them they could be forgiven," says Gloria.

She started training other Auxiliary in her camp and encouraging them to join her in jail ministry. Around that time, John came home from a Gideon prayer meeting and said, "Gloria, the Gideons have obtained permission for y'all to go to the parish jail." The door was open. Gloria was reminded of Isaiah 65:24, "Before they call I will answer; while they are yet speaking I will hear." And so, they started to go once a month to the parish jail in Shreveport, Louisiana, and God gave them excellent opportunities to share about Him.

"I knew God could give these women a pardon for their sin. Even though they may have to remain behind prison bars, I wanted to tell them they could be forgiven."

When John and Gloria moved to Texas in 1991, the Auxiliary told Gloria, "We're going to continue the jail ministry." They knew that was a concern of Gloria's—she didn't want to leave those women without having someone coming, sharing the Good News with them.

## A CALL TO FAITHFULNESS

Jail ministry hasn't always been easy or fruitful for Gloria. "At times, I tell God, 'I quit...I'm not doing this anymore.' Then He reminds me He didn't call me to be successful but to be faithful and leave

Pictured above: Gloria and her husband, John

the results to Him."

She will never forget meeting Ginger in a county jail. "As I talked with her, she told me she was a prostitute," says Gloria. "She didn't accept the Lord during that first visit. But as I would see her from time to time, she finally accepted Him as her Savior." She would get out of jail, and then she would get drawn back into the old lifestyle. "I can remember when she saw me pass by, she wanted to hide from me. And I said, 'Ginger, is that you?' She finally came to the bars to talk because she was so ashamed that she had fallen back into the old pattern of life."

Ginger was finally able to go to a Christian women's job corps where she was trained and doing well, she was giving her testimony at churches, and Gloria connected with her again. "She was living for the Lord! We brought her home, and she lived with us for a year. She was like a daughter to us but was drawn back into her old ways."

Throughout her years of ministering to women like Ginger, Gloria has seen many accept the Lord.

"Some of them do well, and then sometimes they do well for a time, but that's not my responsibility. Jesus commands us to go and tell. And that's what we must do."

## I KNOW YOU!

In 2015, Gloria and some fellow Auxiliary were on a distribution at a rehabilitation facility. "When I walked in, I saw the name Vera printed on a lady's name tag. I recognized her because she had made a great impression on me when she was in the county jail." Gloria recalls her story:

I remember going up to the cell, and I asked the women, 'Do you know if you died tonight that you would go to Heaven?' Vera knew that she wouldn't but told me she would sure like to. The other women in the cell said the same thing and accepted the Lord that day. The following week, I was at another cell, and there was Vera. She began to tell the girls what had happened the week before. It seemed like every week that I went, Vera was in a different cell, and she was telling people about Jesus and how He had transformed her life. When she was sent to state jail, she asked me if I would pick up her clothes and belongings. For 14 years, I had a box in my storage room with Vera written on it.

Vera and Gloria had a joyful reunion that day at the rehabilitation facility. The administrator said, "We couldn't do without Vera around here." Vera replied, "I couldn't do without this place—it holds me accountable." God is effectively using her as she shares her testimony with others going through drug rehabilitation.

They are women who are broken and need to know Jesus. "They need help and love, which I like to give them," says Gloria. "Being an Auxiliary provides us with tools to use with these broken women. It also provides us with the confidence that we need as we approach them—it opens the door for us."

# 'Roe' Goes Down As Life Lifted Up

Continued from Page 1

Planned Parenthood v. Casey – the 1992 decision that reaffirmed the right to abortion.

Former President Donald Trump, who appointed three of the justices who voted with the majority, praised the U.S. Supreme Court's decision in an interview with Fox News. He said the decision would "work out for everybody." He added that the decision is "following the Constitution, and giving rights back when they should have been given long ago," he said, according to the channel.

Associated Press says the ruling is expected to lead to abortion bans in roughly half the states. In anticipation of the decision, several states led by Democrats have taken steps to protect abortion access. The decision, AP adds, also sets up the potential for legal fights between the states over whether providers and those who help women obtain abortions can be sued or prosecuted.

## Reaction

Dr. Alveda King (founder of Speak for Life): "For 49 years, 'we the people' have had to endure a flawed and unconstitutional ruling from the Supreme Court that allowed unelected judges to create a national right to abortion that ultimately led to extreme actions, like late-term abortions, against the unborn. Today, the Supreme Court has rightfully overturned that decision, sending the power to regulate abortion back to the elected officials at the state level. I have longed for and prayed for this day. And I will continue to fight for human dignity for everyone – from the womb to the tomb."

## See You at the Pole™ - September 28, 2022

Continued from Page 6

leaders across Texas. The vision was that students throughout Texas would follow these examples and meet at their school flagpoles to pray simultaneously. The challenge was named See You at the Pole™ at a brainstorming session during a meeting of key youth leaders. The vision was shared with 20,000 students in June 1990 at Reunion Arena in Dallas, Texas.

Only God had envisioned how many students would step up to the challenge. At 7:00 a.m. on September 12, 1990, more than 45,000 teenagers met at school flagpoles in four different states to pray before the start of school. Reports came into toll-free number for days after the first event.

A few months later, a group of youth ministers from all over the country gathered together for a national conference in Colorado. Many of them reported that their students had heard about the prayer movement in Texas and were equally burdened for their schools. No other events had been planned, but it was clear that students across the country would be creating their own national day of student prayer. There was no stopping them.

On September 11, 1991, at 7:00 a.m., an estimated one million students gathered at school flagpoles all over the country. From Boston, Massachusetts, to Los Angeles, California, from North Dakota to the tip of Texas, students came together to pray. Some sang, some read Scripture, but most importantly, they prayed. Like those first students, they prayed for their schools, for their friends, for their leaders, and for their country.

As in all great movements of prayer, See You at the Pole™ did not begin in the hearts of people. It began in the heart of God. God used the obedience of a small group of teenagers to ignite what has become an international movement of prayer among young

people.

Since 1991, See You at the Pole™ has grown to God-sized proportions. Within the first few years, the movement began to spread to other nations through missionaries from the U.S. Now each year, an estimated 1 million students from all the world participate in See You at the Pole™. Students in more than 64 countries have participated. In places like Canada, Korea, Japan, Turkey, and the Ivory Coast, students are responding to God and taking seriously the challenge to pray.

God is continuing to call His people to repentance and prayer. Countless inspiring testimonies of how He has used See You at the Pole™ to bring students to Christ and to change lives affirm God's power to answer those who cry out to Him in humble dependence. Bible clubs, weekly prayer meetings, and other ministries have begun on campuses where students participated in See You at the Pole™.

Why Am I Here?  
Who is  
Who Do I Hear This  
What Makes My Life  
So Hard  
Where is That One  
Special Relationship?

**JESUS is GOD the SON  
(CREATOR of the Universe and all Life!)**

Hebrews 1:2-3 NIV

2 ...in these last days he has spoken to us by his Son, whom he appointed heir of all things, and through whom he made the universe.

3 The Son is the radiance of God's glory and the exact representation of his being, sustaining all things by his powerful word.

Hebrews 3:3-4 NIV

3. Jesus has been found worthy of greater honor than Moses, just as the builder of a house has greater honor than the house itself.

4. For every house is built by someone, but God is the builder of everything.

**THE SAVIOR (GOD in human form)  
born of the Virgin Mary**

Matthew 1:23 NIV

"The virgin will be with child and will give birth to a son, and they will call him Immanuel" - which means, "God with us."

Isaiah 9:6 NIV

"For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace."

John 8:23-24 NIV

23. But he continued, "You are from below; I am from above. You are of this world; I am not of this world. 24. I told you that you would die in your sins; if you do not believe that I am [the one I claim to be], you will indeed die in your sins."

John 14:6 NIV

Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."

***No other person can save you or give you hope and eternal life.***

**How to know JESUS as your personal Savior:**

If you would like to know JESUS as your personal Savior from sin, pray the following prayer followed by studying The Holy Bible and get involved with a local Christian church.

Pray this sincere prayer, meaning it with all your heart, and God will give you eternal life, right now!

*"Dear Lord, I am a sinful person who needs You. I turn from my sins and surrender my heart and life to You, right now. Save me dear God and make me Your child. thank You for coming to Bethlehem, and for dying for me to pay for my sins. Help me to live for You all the rest of my life." Amen.*

*If you have accepted JESUS as your personal SAVIOR from sin, obey Him and get involved with a good Bible-believing church, study the Bible daily, seek Him with all your heart daily, and share The Gospel with all those around you. We must be doers of the word, nor hearers only.*

# October is Clergy Appreciation Month

*Continued from Page 9*

the first Christian churches. In 1 Timothy, he wrote, "The elders who direct the affairs of the church well are worthy of double honor, especially those whose work is preaching and teaching" (1 Tim. 5:17). And, in 1 Thessalonians, he said, "Respect those who work hard among you, who are over you in the Lord and who admonish you. Hold them in the highest regard in love because of their work" (1 Thess. 5:12-13).

Accordingly, over the centuries, decades and years, pastors have been recognized and honored, either formally or informally, by many denominations and local churches at various times of the year. It has been a long-standing practice.

Focus on the Family named and began emphasizing Clergy Appreciation Month in 1994, reminding congregations that it was biblical and proper to honor their pastoral staffs and pastoral families throughout the year, but suggesting that they set aside the month of October for a special tangible tribute. For those churches that preferred a single weekend, we recommended the second weekend of the month. However, honoring a church's entire

pastoral staff and their families can be done at any time — and, in fact, should become a normal part of a church's ongoing care of these special families throughout the entire year.

Our goal is that every pastor (including staff ministers) and his or her family would feel appreciated by those they serve. To assist congregations in this process, we have developed a planning guide (in both English and Spanish) intended to facilitate and publicize a CAM celebration. We also attempt to promote the concept ourselves each year through radio, newspapers, magazines and any other means at our disposal.

Over the years, we have been privileged to work in partnership with many publishers, bookstore chains, radio networks, news syndicates, musicians, denominations and other church groups, and have made many friends. Many of these fine organizations promote some form of clergy appreciation on their own. We think this is great! We feel that the fact that no one "owns" the idea of honoring pastors gives the campaign special inertia of its own — or from God.

**But God shows His love for us in that while we were still sinners, Christ died for us.**

**Romans 5:8**

of Iran's nuclear program and the associated U.S. policy. These concerns were amplified last week when the head of the International Atomic Energy Agency, not known for always having the courage to speak bluntly – said that Iran's nuclear program was "galloping ahead," and his agency really doesn't know much about what Iran is doing.

Unfortunately, Victoria Nuland, the Biden administration's undersecretary of state for political affairs, isn't listening. During a recent interview with CNN, Nuland said, "The deal is sitting there on the table for the taking, if the Iranian's want it." Surprise, they don't want a deal. They want to drag out negotiations until they've achieved their nuclear ambitions.

One of the most memorable panels during the summit came when Senators Jacky Rosen (D-NY) and James Lankford (R-OK) joined CUFI Action Chairwomen Sandra Parker on stage for a discussion about anti-Semitism. The two Senators are the co-chairs of the Senate Bipartisan Task Force for Combating Anti-Semitism, and they delivered a powerful and united message on the importance of combating the world's oldest hatred.

Ambassador David Freedman (U.S. Ambassador to Israel) delivered an inspiring message; how on May 14, 2018, 70 years to the day of Israel's founding as a nation, Prime Minister Benjamin Netanyahu announced the opening of the United States Embassy in Jerusalem,

the eternal capital of the state of Israel. Isaiah 2: 3-4 says, "Many people will come and say, 'Come, let us go up to the mountain of the Lord, to the temple of the God of Jacob. He will teach us is ways, so that we may walk in His path.' The law will go out of Zion, the word of the Lord from Jerusalem."

On Tuesday, we descended on our nation's capital to meet up with 89% of the nation's legislators to discuss and encourage support for three Pro-Israel pieces of legislation:

The House and Senate State-Foreign Operations Appropriations Bills, providing funding in American military assistance to Israel as outlined by the 2016 Memorandum of Understanding between the U.S. and Israel.

The Defend Act. The Abraham Accords, S.4366 H.R.7987. The Abraham Accords which were signed on September 15, 2020, brought forward normalization agreements between Israel and several Arab and North African states. The agreement not only enhanced Israel's security but created an opportunity for a regional approach to critical security threats – chief among them, Iran's malign activities across the Middle East.

COI Elimination Act, S. 4389 H.R. 7223 Restricts American taxpayers' dollars from funding UNHRC's anti-Israel Commission. The funds would be withheld until the U.S. Secretary of State certifies that the UNHRC has abolished its Commission of Inquiry (COI)

into Israel.

The summit overall was a great success, providing ample inspiration and enthusiasm to continue the ongoing fight against anti-Semitism in our communities, colleges and universities campuses. The evidence shows that anti-Semitism has increased to levels never before seen. According to the annual Anti-Semitism Report published by the World Zionist Organization and The Jewish Agency. Christians United for Israel is dedicated to fighting against anti-Semitism wherever it may be found.

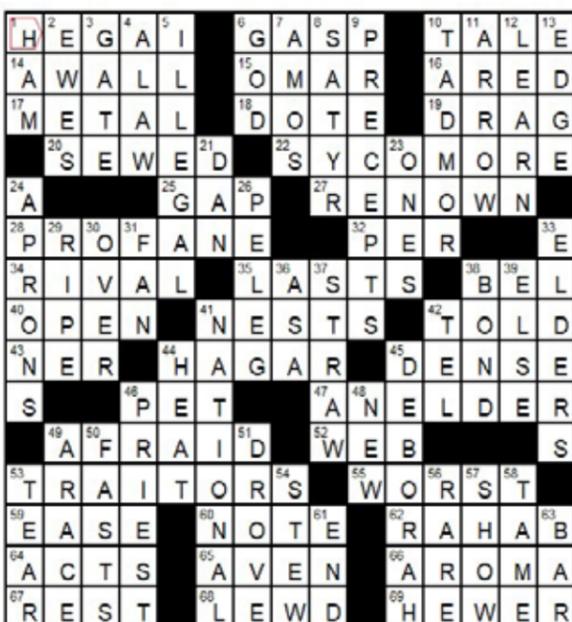

We are fortunate we live in a community where people live together in harmony, but the need is ongoing to educate to the facts concerning Israel and the Jewish people. The internet is a riff with anti-Zionism and anti-Israel propaganda, speaking out outrageous lies and misinformation to slander the only Jewish nation

Isaiah 62: 1 "For Zion's sake will I not hold my peace, and for Jerusalem's sake I will not rest, until the righteousness thereof go forth as brightness, and the salvation thereof as a lamp that burneth."

Editor's Note: Paul Guisande is a CUFI Congressional Liaison for Idaho and the Idaho District 2 Director.
