Together with Pastor Chuck Smith (Kelsey Grammer), they open the doors of Smith's languishing church to an unexpected revival of radical and newfound love, leading to what TIME Magazine dubbed a JESUS REVOLUTION.

An Open Letter to the YouTube Censors Who Cancelled My Interview and Suppressed My Book

Dear YouTube Censors,

I am the author interviewed on February 22 by Dr. Anthony Harper, White House Correspondent for the Intermountain Christian News (<https://www.youtube.com/@intermountainchristiannews3658/> featured), which you removed from YouTube because of alleged "misinformation" claiming that voting irregularities during the 2020 election altered the result. You went further in your censorial zeal by holding Dr. Harper responsible for my alleged sins, imposing a 90-day ban on his broadcasts and threatening him with permanent removal if he has the temerity to disagree with your censorship publicly.

The subject of our interview was my book Final Battle: The Next Election Could Be the Last (<https://horowitzfreedomcenterstore.org/products/final-battle>), whose descriptions of voting irregularities and attempts by the Democrat Party to make cheating in elections easier you want to keep from

By suppressing my interview with Dr. Harper, you have effectively suppressed my research and observations about this most serious of matters, and have done so without explanation except the vague unsupported claim that my challenge to an election result must be suppressed.

When I came, why was there no one? When I called, why was there no one to answer? - Isaiah 50:2

One glance at the news headlines on any given day reveals America is a troubled nation. Scripture makes clear the issue is not with God, but with His people. As Americans have turned to Him in prayer and repentance in critical junctures in the past, there is an urgency to do the same now.

On February 1st, Christian leaders and Members of Congress came together to pray and repent for our nation. Biblical exhortations were given by Anne Graham Lotz, Carter Conlon, Jonathan Cahn, Andrew Brunson, and Michele Bachmann.

Watch and pray with others across the nation who have joined together for this solemn event, responding to God's call to repent for that which is counter to His word.

The National Gathering for Prayer and Repentance was opened and closed with Laura Bretan singing Amazing Grace and How Great Thou Art respectively.

Laura, a dual citizen of Romania and the USA, won first place in Romania's God Talent and 6th in America's got talent.

Utah has officially joined the school choice-championing wave of education reform that's washing across the country.

Late last month, Governor Spencer Cox (R) signed Funding for Teacher Salaries and Optional Education (HB 215) into law. Jason

Bedrick, research fellow for The Heritage Foundation, explains that the Utah Fits All Scholarship Program puts greater control over children's education back into the hands of parents, which is where he says it belongs.

jason Bedrick

"So if the school is not meeting their child's needs, they can take their money and they can go somewhere else," he details. "The very fact that schools know that those families are empowered to do exactly that means that

families have a lot more power when they're at the negotiating table."

Even though the measure also gives licensed teachers a significant pay raise, the Utah Education Association, the Parent Teacher association, and the Utah Eagle Forum fought it. The state school board also opposed the bill,

despite the fact that the majority of sitting members are Republicans.

"Rank-and-file teachers are probably a lot more supportive of it than the unions that claim to speak in their name," Bedrick submits. "That's because the unions don't want any alternatives to the system that they essentially have control over."

Iowa's governor recently signed one of the nation's most comprehensive school choice bills into law. Within days, Republicans leaders in Kansas introduced a similar law. At least a dozen other states, including Florida, Indiana, Ohio, Oklahoma, Texas, Idaho, and Nebraska, are also looking to expand their school choice programs.

'God Has Just Been Moving and Moving': Months-Long Small Town Revival Changing

A sweeping revival is taking place in a small community in southeastern Kentucky where hundreds of people are being changed by a move of God's Spirit.

Pastor Scott Phipps tells CBN News that "God is moving in a mighty way" as people are being delivered, healed, and set free from addiction.

For the last 77 nights, nearly 300 people have shown up to North Main Community Church in Barbourville, Kentucky to have an encounter with God.

"People are really pouring their hearts out to the Lord and the altars are full," Phipps said. "There's no room at the altars and people are just pouring in."

He added, "Any given night if you were here, you are going to have a minimum of 150 people that's been delivered from drug addiction. You see such a hunger."

Phipps says he is seeing a big move of God among young people.

"I think we live in a time where a lot of people say 'well my kids have got homework' that's fine [because] kids need to get an education, but when those kids grow up and they are not interested in God because they are pursuing their career, then you realize their

Dear Ms. Jean-Pierre and Mr. Bates,

White House Correspondent Rev. Dr. Matthew Anthony Harper here with the InterMountain Christian News, member newspaper of the Christian Newspaper Association.

What is President Biden's response to Congresswoman Cortez' (AOC) who called the recent Super Bowl JESUS ad as Fascist and sees the JESUS of The Bible as a Fascist?

What is President Biden's response to Christian churches in America that believe we are endowed by our CREATOR [JESUS] as stated in our Declaration of Independence with certain unalienable rights of Life, Liberty and Pursuit of Happiness, not men? Topic: The Top Ten Darwinian Teachings (Lies)

MEET OUR SPECIAL EVENT SPEAKER

Though raised in a Christian home, Russ strayed from God during his college years where he was an all-division baseball player. As Russ puts it, "I was on my road to Damascus when, at the age of 30, I felt the Holy Spirit nudging me to return to Him." Russ started attending church and grow as a Believer. Ten years passed as Russ grew in his faith and became a church Trustee, though believing that God had used 'millions of years leading to evolution' to develop His creation. Then, during the summer of 1998 an event took place that would forever change the fortunes of the Miller family. Russ and his wife, Joanna, obtained video tapes of several Creation speakers.

"When I saw the overwhelming facts which destroy Darwinism and 'millions of years' beliefs, combined with the facts which support the biblical accounts of creation and the global flood, I realized that I, and billions of others, had been fooled."

Russ began intently studying the Creation-evolution issue, obtaining knowledge from Creation speakers, scientists and even the die-hard Darwinian faithful.

He felt God's calling to do something more important than making money and in December of 2000, Russ gave away his business to a valuable co-worker and began Creation, Evolution & Science Ministries. Russ' motto is: "You don't have to believe anything I tell you. All I ask is that you look at what I show and weigh it against anything that has you believing in anything other than what the Bible says." For anyone who does so, it is, as Russ says, a *no brainer*.

Russ authored 5 creation-oriented books, including "The COST," written & illustrated 2 kids coloring books, his Grand Canyon Rim, Raft & Grand Staircase Tours; hundreds of radio programs, led dozens of Grand Canyon creation-based river raft trips and more. Russ has spoken on college campuses

Book Review 'Final Battle: The Next Election Could Be the Last'

As told to IMCNews

David Horowitz, one of America's most famous authors and conservative thought leaders, says in his new book, *Final Battle: The Next Election Could Be the Last*, America's next presidential election could be the last. There now exists an existential threat to American democracy greater than any our nation has ever faced.

As was clearly evident in Biden's State of the Union address last night, Democracy as we know it is being obliterated at the hands of Democrats who pose a deadly threat to our freedom. Their real goal is a one-party state – and they are willing to break even Constitutional provision, law, precedent and procedure – to see that it happens.

These claims are made by New York Times bestselling author David Horowitz who for the first time reveals the left's horrifying plan to turn America into a socialist nation. What he's discovered will rock you to the core. America, Horowitz warns, is on the precipice of another civil war.

And if you think you already know everything Biden, Pelosi, Schumer, and their vile cronies have done to drive a stake into the heart of America, you don't know the half of it. In an attempt to save America from the Left's diabolical and deadly clutches, Horowitz is revealing it all in his latest blockbuster release, *Final Battle: The Next Election Could Be the Last*.

Here's a sneak peek at just a few of the shocking revelations in *Final Battle*:

- How Democrats use the mere act of challenging a vote as treason. See why they've lost their minds.
- The REAL story of Jan. 6 – and why were the Capitol Police so unprepared when they were told about the event?
- The facts about the protesters – including the high number of government informants that were there that day.
- How Biden's Department of Education bribed schools to continue to push an anti-American curriculum, CRT, racism and the 1619 Project.
- Is the Green New Deal about clean energy? Nope! See why it's really about abolishing the oil and gas industry and 5 million jobs, closing our clean energy nuclear power plants.
- It's also about ending ALL air travel and even starting the regulating of cow flatulence. (It's all there in the Green New Deal.)
- How Nancy Pelosi took control of the message and the media to fool the American people about "misinformation."

InterMountain Rescue Mission Testimonies

UTAH

From Rescue Mission of Salt Lake, Salt Lake City, Utah

Venus's story

It's been a long, hard road, but the heart change I needed happened when God led me to the Rescue Mission of Salt Lake last winter.

I remember the day, January 14, 2022 when I prayed to God here at the Rescue Mission's Women's Center and asked him to change my life through a true relationship with His son Jesus. Since I made that request of God, He has delivered in major ways and restored my life. I was even baptized at my church on New Year's Eve 2022.

At times in my life I have struggled with suicidal thoughts and self-harm. I was adopted at age eight after my mother struggled with mental health issues. My adopted mother told me things about my childhood and birth mother that I later came to find out were not true. I don't know why my adoptive mother told me these things, but they caused me to believe that abuses had happened to me during my childhood that actually never happened.

When I became pregnant at age 20, I was scared. I thought I could be abusive towards my son, since I believed I had once been abused myself. This fear overcame me and caused me to believe I wasn't a fit mother.

I told Child Protective Services they should take my baby away from me. In reality, I would have never harmed him, but I felt trapped and confused. I believed that I was not worthy to be a mother. That I didn't deserve a son.

My adoptive mom took custody of my son, and my life took a turn for the worse. Losing my son forced me into a deep depression and I lost contact with my family and fell into addiction, crime, and homelessness. I was in and out of jail and had no real direction in life other than finding ways to get money for meth.

One day, about four years ago I was searching the internet for my family, trying to see if I might be able to reach them. On the third page of the Google list was an obituary for my son. My adoptive mother apparently had a seizure while driving with him in the car and slammed into the back of a truck.

I was devastated and at that moment, I lost all hope. I started injecting meth and even attempted suicide by running my car into a tree. I started having sex for money and was constantly being arrested for drug possession, assaults, and other crimes. When I wasn't in jail I was living on the streets or whatever place I could find.

Yet, in the back of my mind, I always thought

about the Rescue Mission. I knew what I really needed was God in my life. So one day when I went before a judge following yet another arrest. I asked the judge to let me out of jail, if I would commit to go to the Rescue Mission's Women's Center and join their New Life Recovery Program.

I was surprised that the judge agreed.

Since that day God has transformed me. I have been sober for almost 15 months. Learning through the Bible studies here at the Mission has not only given me faith but given me true hope that my young son is also in a better place, with God. I relate to King David, who, when he lost his young son, believed he might see him again in Heaven and said, "I shall go to him." (2 Samuel 12:16-23).

One neat thing is that I get to volunteer in the nursery at my home church. It is a blessing to be able to help with the ministry of taking care of the 0-23 month-year-olds, to not only bless those young kids, but also bless the parents by giving them the ability to have a parenting break so they can worship God.

When I entered into the employment phase of the New Life Program, I was able to get a job as an exam room technician at one of the most recognized veterinary clinics in the Salt Lake Valley. I love my job. I am able to calm pets down as they await their exams or other procedures. It's relaxing to cuddle everything from rats to huge dogs. I pray for the animal and the owners and love being a calming influence.

I am thankful my employer took a chance on me, despite my background. My probation officer says I am doing so well, my probation end date has moved up to July, 2023 (I was originally scheduled to be on probation for three years). As I work, I am saving up money to pay off all my fines and fees I owe by July so I can be completely off probation.

I am also saving money so that when I graduate from the New Life Program, I can move into Hope House, which is the Rescue Mission's transitional housing unit for women. I feel like I need the continued structure and support of Hope House to continue to develop stability after graduating from the recovery program.

Another cool thing is that I have been able to restore my relationships with my birth mother and my brother. My mother lives in Mississippi now so I talk with her over the phone often and my brother, who once would have nothing to do with me, even came to visit me here at the Women's Center.

I am so grateful to God, His son Jesus, and the Rescue Mission for providing a place where I could experience a changed life. My utmost thanks also goes out to you, the faithful supporters of the Rescue Mission, as well. I know without your support this Mission would not be here and I would probably be dead. I have tried to take my own life twice, but now I enjoy living and look forward to the future. This change is all due to your support and God's enabling power. Thank you so much!

WYOMING

From Central Wyoming Rescue Mission, Casper, Wyoming

Tory's story

The child of a broken home, Tory was shuffled from place to place... endured all forms of abuse... developed an eating disorder... and began using drugs to ease her pain.

Finally, at age 32, she was successful at treatment and led a substance-free life for more than six years. But when she moved with her boyfriend to a smaller town so he could take a job in the oilfields, she lost her circle of support and didn't know how to build another.

"I relapsed and I fell pretty hard," she says. "I was living in my sin pretty big."

Although her destructive habits landed her in jail, it proved to be the turning point she needed. When she was released, her counselor advised her not to return to the influences of her past. Instead, she came to WRM. "I chose the Discipleship Program and it was the best decision I've ever made."

While she'd always believed in God, "I was living in the dark – I was spiritually dead," she says. With the guidance of our loving staff, she accepted Him into her heart and asked Him to heal and direct her life. "Knowing He's walking with me and going to see me through, that's a big deal," she says.

She's also receiving the help she needs to maintain her sobriety, develop strong life skills and set goals for her future. "They don't do the work for us... they encourage us," she says. And she's changing the way she sees herself. "When I was in my addiction, I was very selfish. Now I've learned to show compassion and kindness."

Tory's heart is overflowing with gratitude this Thanksgiving because YOUR loving support gave her the confidence and support to rebuild her life. "I don't think I'd be where I am today if it wasn't for WRM and the Discipleship Program."

By IMCNews Editor Rev. M. Anthony Harper, Ph.D. March 5, 2023

(WASHINGTON, Dc)—Republican leaders experienced an enthusiastic response from supporters at the CPAC Washington, D.C. event March 1-4 despite Democrat attempts to spoil this event. Former President Trump echoed key issues of other Republican leadership presenters vowing to beat the Democrats at their own election game but legally and restore the United States by securing the border, protecting America's youth, making the U.S. energy independent, a lead producer of goods independent from China and a safer place to live.

'Balloon-gate' Reveals America's Feeble Leadership, Says Bauer

By Chad Growling Reprinted from One News Now by permission (OneNewsNow.com) February 17, 2023

FBI agents unload material recovered from the shoot-down of a high-altitude balloon off the coast of South Carolina on Feb. 4. (AP photo)

A conservative activist says America's military leaders need to understand that any future war between China and the United States will be a no-holds-barred conflict because Beijing is an "officially godless regime."

On Thursday, President Joe Biden broke his silence on the shoot-down of three aerial objects in the last week. He told the press those objects were like no more than "benign objects" that were launched by private companies or research institutions.

But there continues to be growing concerns about his administration's handling of the first balloon that was spotted in American airspace above Montana on January 31, tracked for several days by the media and the public as it traversed across the country, then finally shot down on February 4 off the coast of South Carolina. Several news outlets now report that U.S. intelligence agencies were watching the balloon from the time it lifted off from its home base in China, but did nothing until it had completed its trek across the U.S.

During an appearance on American Family Radio this week, Gary Bauer of the Campaign for Working Families said he doesn't believe the current leadership in the White House has the will, the strength, or the understanding to protect the country if forced into a high-stakes war with China.

"A war with Communist China will determine which nation rules the world, in a sense," he stated. "And experts are telling us, if we'll listen, that we're likely to lose a couple of aircraft carriers within the first week of the war – with each one of those aircraft carriers having 5,000 young men and women on them. Is the United States ready for that?"

And Bauer warned America's military leaders better understand that the next war will not be fought by the rules it has been holding itself to in recent years.

"If the Communist Chinese get into a war with the United States, nothing will restrain them – nothing! Absolutely nothing! They're an officially godless regime," he exclaimed. "This would be a serious war with a serious nation that believes with all its heart and soul that the future belongs to them."

As AFN reported earlier this month, a four-star U.S. Air Force general is predicting war with China by 2025 over an invasion of Taiwan. The memo from General Mike Minihan was intended for officers of the Air Mobility Command, which provides transport and refueling support around the globe, but the general's urgent warning to improve airmen training was leaked to the public.

A Creative Protest That Protected Pocatello's Children

Charlie Butts February 21, 2023
Reprinted from One News Now by permission (OneNewsNow.com)

Though parents in one Idaho city were thwarted after using a unique idea to get the local library's attention, a Republican Party official there says they're not giving up.

David Worley, a former Pocatello mayoral candidate, says Marshall Public Library officials in the southeastern Idaho town are to the left of left-wing in terms of content. So when it was discovered that the library was hosting a drag queen show for all ages, he got the word out to local MassResistance Christians, who flooded the zone about 30 minutes before the February 11th event.

The initial plan was to sing hymns so that the drag queens and the attendees in the main meeting room could hear them. If the police were called to force them to leave, then the team planned to go outside, stand around the library near the windows, and sing. But as the event came closer, they had the idea to go into the meeting room early and take up all the seats.

All of the activists showed up with Bibles in their hands and planned to read the Bible through the whole event. The library director saw what was going on and told the crowd, "If you are not here to participate, then you need to leave." No one did.

"It's a public event at a public venue that's owned by the city, so they can't tell anyone they can't come," Worley points out. "We just show up, fill up all the seats so the room's at max capacity, and then prevent young children from being brought in and being exposed to this sexually inappropriate content."

The tactic worked, as he accounts there was no room for children. As the event was about to begin, the director came back and asked some of the activists to give up their seats so that the parents with children in the lobby could come inside. No one budged, so the drag queen read LGBT stories like "Two Grooms on a Cake" to the adults for about 30 minutes before ending the program early.

After the event, Worley says they planned to let the board know they did not appreciate the fact that the library has several hundred inappropriate books available to children and young people.

"I think they really wanted to ignore us," he tells AFN. "We did go to the library's board meeting, and we wanted to question them and make sure that banners to this stuff was in the library, so if they weren't aware ... we had the examples, we had the books. And then [we] petitioned them to force the library director to get this smut out of the library and also to quit hosting these inappropriate events."

The board abruptly ended its meeting, but a MassResistance believes the library staff received the message, as a pro-LGBT book display in the center of the library has since been removed.

We believe that the Jewish people have a right to live in their ancient land of Israel, and that the modern State of Israel is the fulfillment of this historic right.

We maintain that there is no excuse for acts of terrorism against Israel and that Israel has the same right as every other nation to defend her citizens from such violent attacks.

We pledge to stand with our brothers and sisters in Israel and to speak out on their behalf whenever and wherever necessary until the attacks stop and they are finally living in peace and security with their neighbors.

The Scriptures promise blessings upon those who love the nation of Israel, and CUFI has prayerfully searched for a way to honor and bless those who have chosen to be part of this holy move of God.

Vision Beyond Borders Update

Casper, Wyoming Prayer & Praise March 3, 2023

Join us in praying for our contact in India, who will be ministering to Burmese refugees this month, providing blankets and medical supplies with funds from Vision Beyond Borders and sharing the Gospel.

Join us in praying for the people in Turkey and Syria. Many families are hurting and need support. VBB's contact in Turkey shared this heart-wrenching story.

"While we were sitting by the campfire trying to warm up, an older woman asked if she could get some tea. I sat her down and helped her out. Her three-story apartment had collapsed. She was out of town that night, and when she arrived the following day, her husband, daughter, two grandchildren, and son were under the rubble. She said I could not hear my son, so I knew he was dead. Eighteen hours later, her daughter and grandchildren got out with the help of the neighbors, but her husband was trapped halfway. She sat with him, waiting for a machine to lift the big concrete, but no one was there. On the 3rd day,

he told her he no longer felt pain and slowly died in her arms. She was devastated, just like every living person in the area." Please continue to pray and lift up the wounded and hurting.

Praise God for the continued distribution of Bibles across South America. Reports continue to flood in of the most vulnerable receiving Bibles. While Latin America still struggles with political corruption and social instability, the gospel is going forth mightily. In Venezuela, they were able to distribute Bibles in a prison. Five inmates received Bibles along with a

custodian that worked on the grounds. In another part of the country, our contact was able to distribute 1,728 Bibles.

God continues to work in Guatemala as more pastors join our effort to distribute Bibles. They also continue to take to the streets sharing the Gospel and distributing Bibles to low-income families, children, homemakers, doctors, nurses, and medical visitors. As an evangelism tool, several had the opportunity to share the Gospel in a nice restaurant and pray for the families dining out. Bibles were distributed after the pastors prayed for the families.

In El Salvador, they have the privilege of distributing Bibles to children and having discipleship/mentor time with them in a public place. More and more children continue to be added. Pray for these precious souls and that more will be added. Praise God for the power of the Gospel and the transformed lives.

Suicide Tourism on Oregon's Horizon?

by Charlie Butts February 13, 2023
Reprinted from One News Now by permission (OneNewsNow.com)

A protector of human life from conception to natural death says lawmakers in Oregon are working to make their state the go-to for assisted suicide.

In 2022, after a doctor from Washington sued Oregon over the state's residency requirement for people seeking assisted suicide, Ellen Rosenblum, Oregon's attorney general, agreed – without going to court – to drop the requirement.

Lois Anderson of Oregon Right to Life says that decision is pending until the legislature codifies that change.

Lois Anderson

"That's where we're at right now. We have this bill that repeals the residency requirement, and that's supposed to be a part of this lawsuit," she tells AFN. "But the legislature wasn't a party to the lawsuit, so we're making the argument with the legislators that they don't have to do this; they can keep the

residency requirement in place."

At the request of former Governor Kate Brown (D), changes to the Death with Dignity Act (HB 2279) have been introduced in the House and Senate.

"It goes further than taking away the residency requirement and also removes a 15-day waiting period ... so you only have to wait 48 hours, amongst other things," Anderson details. "It's basically a death on demand, death tourism bill."

While anecdotal reports say patients have come from as far away as Texas for assisted suicide, there are no official stats on how many people are coming to Oregon from other states to end their lives. Anderson recently told a local news outlet that expanding the already dangerous law is "a solution to a problem that doesn't exist."

An Open Letter to the YouTube Censors Who Cancelled My Interview and Suppressed My Book

Continued from Page 1

Since you provide no specific evidence to refute my claim, you are also arguing that any challenge to an election result is off-limits and needs to be suppressed.

Since you claim to be willing to hear appeals to your decisions, kindly respond to these requests.

- Provide me with concrete evidence for your claim that irregularities in the presidential election of 2020 did not affect the election result. Please answer the specific analyses and claims made in Dinesh D'Souza's recent book 2000 Mules (https://www.amazon.com/000-Mules-Thought-Never-Wrong/dp/1684514460/ref=sr_1_1?crid=1D8J0H6TFNAH8&keywords=2000+Mules+dsouza&qid=1677391121&s=books&sprefix=2000+mules+dsouza%2Cstripbooks%2C79&sr=1-1) and Mollie Hemingway's book Rigged: How the Media, Big Tech and the Democrats Seized Our Elections (<https://www.amazon.com/Rigged-Media-Democrats-Seized-Elections/dp/168451259X>). And of course, please address the claims made in my book Final Battle: The Next Election Could Be the Last (<https://horowitzfreedomcenterstore.org/products/final-battle>), which you have so far chosen to suppress rather than answer.

- Please explain why YouTube has not censored and punished Rep. Jamie Raskin and his Democrat colleagues who went into the well of the House in January 2017 to challenge the legitimacy of the Trump election and call for the decertification of Trump Electors. Such challenges to the legitimacy of a presidential election were mounted by Democrats in every election that a Republican won since 1980.

- Since your decisions to censor opinions regarding the legitimacy of elections have been so arbitrary, so ungrounded in obvious facts and so politically biased in favor of the Democrats, please tell me why anyone should treat you as a legitimate arbiter of what is "misinformation" and what is not.

Sincerely, David Horowitz

2 Years, 1 Chance 'To Get Things Right'

By Chad Groening February 17, 2023
Reprinted from One News Now by permission (OneNewsNow.com)

A broad coalition of conservative organizations wants to ensure that a new president will be able to hit the ground running when taking office in 2025.

Paul Dans, chief of staff at the Office of Personnel Management during the Trump administration, says the actions of the radical Left have created a desperate need and a unique opportunity for conservatives to start undoing the damage the Biden administration has wrought upon the nation -- if they can elect a Republican president next year.

With that in mind, a group of more than 50 leading conservative organizations and top thinkers has organized the 2025 Presidential Transition Project to build a better country for all Americans beginning in 2025.

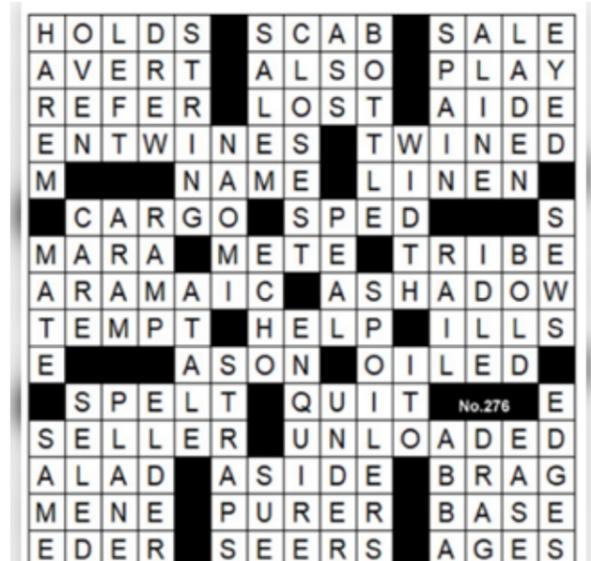

Dans, Paul

"Our whole game plan here is to be ready day one, January 20th, 2025, for conservatives to take the reins of the federal government and start enacting the policy and the reforms, ripping up what the Biden administration's put in place, and kind of getting America back on track," explains Dans, who is serving as the project's director.

He acknowledges, though, that the enemy is a formidable one, saying, "We are against very powerful forces, dark forces to be sure."

"We are up against basically game over in 2024 for this country in terms of really getting us righted," Dans submits, adding that the 2025 Presidential Transition Project believes "we have two years and one chance to get things right."

Dr. Harper Challenging Letters to White House Press Secretary Karine Jean-Pierre

Continued from Page 3

The White House
Washington DC, 20002

Dear Ms. Jean-Pierre and Mr. Bates,

White House Correspondent Rev. Dr. Harper here with the InterMountain Christian News and Israel news service 'Newsrael.'

In light of our most important ally Israel in the Middle East, I ask the following questions with historical significance:

How can President Biden say he is opposed to anti-Semitism when he is funding anti-Semitic organizations such as the Palestinian Authority and U.N. agency UNRWA?

What is the logic of President Biden supporting the two state solution of dividing Israel with a Palestinian state?

A test of the two-state absolutism was implemented when Israel withdrew from Gaza in 2005. Instead, Gaza became a haven for terrorists who shoots missiles into civilian areas, as we have seen them do.

There is a warning of The GOD of Israel's anger towards those who divide Israel in the Jewish scripture Joel 3:2 you can read below:

"I will gather all the nations And bring them down to the Valley of Jehoshaphat. Then I will enter into judgment with them there On behalf of My people and My inheritance, Israel, Whom they have scattered among the nations; And they have divided up My land." NASB

What is the Biden Administration response to our Christian and Jewish audience concerns that referring to Israel as Palestine and to a Palestinian people group fuels Anti-Semitism by inciting people to hate the Jewish people and treating them as occupiers?

Historically, Palestine was an invention of the Roman Emperor Hadrian to separate the Jewish people from their land 'Judea.' Read the following Jerusalem Post article about this matter:

<https://m.jpost.com/blogs/dont-fence-me-in/who-invented-palestine-hadrian-442741/amp>

There is a blessing for those that bless Israel found in Genesis 12:3 and our audience sees support to divide Israel for a Palestinian state not only angers The GOD of Israel but is a form of cursing Israel and will bring judgment upon the United States and all those who participate in facilitating this division of Israel. Furthermore, our audience sees the foundation of Anti-Semitism rooted in the belief that Israel is an occupier of their land.

"And I will bless those who bless you, And the one who curses you I will curse. And in you all the families of the earth will be blessed." (NASB)

Here is a Working definition of Anti-Semitism below:

"I oppose all forms of Anti-Semitism, including but not limited to dividing Israel with the establishment of a Palestinian state, assault of Jewish people, business deals with Iran, BDS, funding of Anti-Semitic U.N. agencies like UNRWA and others; defacing Jewish places of worship, business, monuments as well as desecration of cemeteries in Vilnius, Lithuania and elsewhere by building over the graves of the Jewish people. I seek to restore the Jewish cemetery in Vilnius, Lithuania as well as all other Jewish cemeteries to their former glory with gravestones and a fence according to Jewish law and tradition, for no restoration is desecration and violation of religious and human rights of the Jewish nation and especially the descendants of those buried there."

Thank you for addressing our press questions.

Dear Mr. Bates,

Rev. Dr. Harper here of the InterMountain Christian News and Israel news service 'Newsrael' referred to you by the Press Secretary's scheduler Robert Dornbush.

I serve as the principal investigative journalist at the White House regarding anti-Semitism to request a meeting with you and your response on video to our Christian and Jewish audience to the following crucial question regarding the anti-Semitic and anti-Israel views of our government leaders including U.S. House member Ilhan Omar who was removed from her House Foreign Relations Committee:

What is President Biden's response to Ilhan Omar and other leaders in our government who have anti-Semitic views supporting anti-Israel policies of Israel as the occupier and guilty for causing an Apartheid state, supporting BDS, funding anti-Semitic organizations like Palestinian Authority and U.N. agency UNRWA, supporting desecration of Jewish cemeteries as well as dividing Israel with a Palestinian state? Ms. Karine Jean-Pierre
Press Secretary
The White House
Washington DC, 20002

Dear Karine,

Rev. Dr. Harper here of the InterMountain Christian News and Israel news service 'Newsrael,' principal Human rights White House Correspondent to request your response to the following crucial question regarding President Biden's attendance tomorrow to the National Prayer Breakfast on Capitol Hill.

Will President Biden be honoring President Lincoln's call to national prayer and repentance titled 'Proclamation Appointing a National Fast Day' that contains the solution for America's problems and can be read at the following web site?:

President Lincoln's key paragraph- "And whereas it is the duty of nations as well as of men, to own their dependence upon the overruling power of God, to confess their sins and transgressions, in humble sorrow, yet with assured hope that genuine repentance will lead to mercy and pardon; and to recognize the sublime truth, announced in the Holy Scriptures and proven by all

history, that""those nations only are blessed whose God is the Lord." (Psalm 33:12):

<http://www.abrahamlincolnonline.org/lincoln/speeches/fast.htm>

President Lincoln's proclamation is written in the spirit of the National Day of Prayer foundational verse 2Chronicles 7:14:

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (KJV):

Book Review 'Final Battle: The Next Election Could Be the Last'

Continued from Page 4

· Proof the Democrat Party is on a mission to dismantle America's political system.

· How Jimmy Carter and James Baker made recommendations for strengthening the election process, including requiring voter IDs, limiting mail-in ballots (they said this was at the very heart of vote fraud), stopping ballot harvesting and drop boxes and more – these principles for honest elections that have literally been torched by the Left to make election fraud easier and to justify their actions by pulling the race card.

· Shocking revelations by the FBI about Jan. 6 the media doesn't want you to know, which exonerates Trump and the innocents who attended the rally.

· The sneaky move by Democrats to hide \$4 billion in a bill disguised as help for black farmers - its real motive is to avoid a vote on a topic wildly unpopular with Americans.

· Did you know that Biden spent over \$15 trillion on post-COVID stimulus – spending that has sparked massive inflation?

· How Obama openly admitted he broke the law and his own oath to the Constitution to open the floodgates to illegals in a clear attempt to tip the balance of political power.

· How Biden's policies allow drug cartels to flourish, giving them an estimated \$500 billion in annual revenue.

The American people must know what the Left are really up to before it's too late. If we sit back and do nothing, America as a democracy and free society will perish at the hand of progressives. Many say this is a crisis on par with the Civil War. David Horowitz says they are not wrong.

'God Has Just Been Moving and Moving': Months-long Small Town Revival Changing Hundreds of Lives in Kentucky

Continued from Page 3

homework was important but their relationship with God through Christ was so much more important," he explained.

He added, "This younger generation is so disconnected from Christ...and I think it is a great hour because it is so dark." Facebook View Video (0:23) Posted by North Main Community Church.

For Phipps, this small-town revival is 29 years in the making.

A former addict, Phipps dealt drugs in that very same community for years. But when his wife, Tammie, found Christ he knew he wanted to change his life.

"She came home and said 'God saved me. I don't want to do drugs anymore and I love you now.' And I remember how mad I got. Then I thought, 'Well me and this God thing isn't going to work.' And then I tried to give her drugs and she wouldn't take them and then I knew it was real. It done something to me," he shared.

The next day, he went to a church and gave his life to Christ.

Now the 58-year-old and his wife run one of the area's largest addiction recovery centers, Hope City and Redemption Road Recovery, and those who have been helped by their ministry are coming to the revival in droves.

"God has just been moving and moving and I am thankful it has never stopped," he said.

He added, "All I know to do is to keep loving the Lord and sharing his Word. I know all these people are trying to figure out 'how do we evangelize and keep preaching the Word.' The Lord gave it to us. He said, 'If I be lifted up, I will draw all those unto me.' And He is lifted up in our life."

Phipps told CBN News Barbourville County is rampant with drug use and abuse.

"The area is plagued with drugs. Methamphetamine [and] heroin are so cheap now. 29 years ago, when I was dealing drugs, an ounce of meth was \$2,200. Now an ounce of meth is \$200. It's really bad! People are trading their lives for it."

In 2015, former President Barack Obama announced an initiative to combat the rampant drug use in that area of Kentucky.

"The most important thing we can do is reduce demand for drugs, and the only way that we reduce demand is by providing treatment and thinking about this as a public health problem and not just a criminal issue," Obama said during a panel discussion at the 2016 National Rx Drug Abuse & Heroin Summit (<http://nationalrxdrugabusesummit.org/>).

But those bound by drugs are seeing miraculous healings and restoration in their families because of what God is doing.

"Girls with Hepatitis C [with] no medicine now are completely healed with no Hep C," Phipps

explained.

"Addicts have been delivered every night. And one thing about the people coming is that most of them do not have any background in any Christianity whatsoever," he added. "The Lord says those who have been forgiven much, loveth much, and many of these people were at death's door."

Phipps doesn't know when the revival will end but recognizes that the Lord is in charge.

"God has brought restoration and it is just growing and growing," he said.

Phipps explained, "As far as the world is concerned it looks like it's not going to get better, but at the same time the Bible says we would shine as light in the midst of a dark world in a crooked and perverse generation and nation. It is a great time for [revival]."

JESUS is GOD the SON (CREATOR of the Universe and all Life!)

Hebrews 1:2-3 NIV

2 ...in these last days he has spoken to us by his Son, whom he appointed heir of all things, and through whom he made the universe.

3 The Son is the radiance of God's glory and the exact representation of his being, sustaining all things by his powerful word.

Hebrews 3:3-4 NIV

3. Jesus has been found worthy of greater honor than Moses, just as the builder of a house has greater honor than the house itself.

4. For every house is built by someone, but God is the builder of everything.

THE SAVIOR (GOD in human form) born of the Virgin Mary

Matthew 1:23 NIV

"The virgin will be with child and will give birth to a son, and they will call him Immanuel" - which means, "God with us."

Isaiah 9:6 NIV

"For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace."

John 8:23-24 NIV

23. But he continued, "You are from below; I am from above. You are of this world; I am not of this world. 24. I told you that you would die in your sins; if you do not believe that I am [the one I claim to be], you will indeed die in your sins."

John 14:6 NIV

Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."

No other person can save you or give you hope and eternal life.

How to know JESUS as your personal Savior:

If you would like to know JESUS as your personal Savior from sin, pray the following prayer followed by studying The Holy Bible and get involved with a local Christian church.

Pray this sincere prayer, meaning it with all your heart, and God will give you eternal life, right now!

"Dear Lord, I am a sinful person who needs You. I turn from my sins and surrender my heart and life to You, right now. Save me dear God and make me Your child. thank You for coming to Bethlehem, and for dying for me to pay for my sins. Help me to live for You all the rest of my life." Amen.

If you have accepted JESUS as your personal SAVIOR from sin, obey Him and get involved with a good Bible-believing church, study the Bible daily, seek Him with all your heart daily, and share The Gospel with all those around you. We must be doers of the word, not hearers only.

The Potential Demise of Republican Presidential Hopes in 2024 - OPINION

By Rev. MAnthony Harper, Ph.D.,
IMCNews Editor/Reporter February 20, 2023

Picture above of former President Trump and Jared Kushner Vision for Peace plan of a Palestinian state in the heartland of Israel released (Circa, January 28, 2020)

Great anticipation leads up to the 2024 U.S. Presidential elections after Republicans gain control of the House of Representatives in 2022 elections.

The lead question for me is 'Will Republican Presidential candidates' delusional support for a Palestinian state to divide Israel result in bringing about Middle East peace? My answer is an emphatic NO and is based on the Jewish scripture warnings in Joel 3:2 and Genesis 12:3 which speak of The GOD of Israel's anger towards those that divide up Israel and a curse for those who curse the offspring of Abraham [Israel]. I see that cursing Israel is to support a Palestinian state to divide up their covenant land. Read those Jewish scripture warnings below:

Joel 3:2 - "I will gather all the nations And bring them down to the Valley of Jehoshaphat. Then I will enter into judgment with them there On behalf of My people and My inheritance, Israel, Whom they have scattered among the nations; And they have divided up My land." NASB

Genesis 12:3 - "And I will bless those who bless you, And the one who curses you I will curse. And in you all the families of the earth will be blessed." NASB

I see the Biden Administration as the most anti-Semitic and anti-Israel administration ever with their hypocritical statements of opposing anti-

The Potential Demise of Republican Presidential Hopes in 2024 - OPINION

Continued from Page 14

Semitism but yet give delusional support to dividing up Israel with a Palestinian state and directly fund anti-Semitic and anti-Israel organizations such as the Palestinian Authority and U.N. agency UNRWA. The Palestinian Authority rewards people for killing Jews (Pay to Slay) in direct violation of the Taylor Force Act and the U.N. agency UNRWA incites children to hate of the Jews in their school curriculum that promotes Jews as occupiers of their land and calling the land of Israel 'Palestine.'

The support for a Palestinian state unravels when realizing that Palestine was an invention of the Roman Emperor Hadrian and there is no true Palestine. Hadrian titled the land of Israel 'Palestine' to insult the Jews and disconnect their heritage to the land of Israel out of Rome's hatred for the Jews. Read about the 'Myth of Palestine' at the following link: <https://m.jpost.com/blogs/dont-fence-me-in/who-invented-palestine-hadrian-442741/amp>

It was so disappointing that former President Trump and Jared Kushner supported a Palestinian state to divide Israel (see map of his plan in this article) and according to former Presidential Republican candidate Michele Bachmann, led to President Trump losing in the election because a curse on his campaign for supporting a plan to divide Israel. Watch my interview with Michelle Bachmann regarding her warning to former President Trump about his Palestinian state plan at the following YouTube link: https://youtu.be/ZfT_QrDssOE

See in this issue of the InterMountain Christian News my letters to White House Press Secretary Karine Jean-Pierre regarding my concerns on anti-Semitism, the need for JESUS as King of Peace, a Child's right to life as well as Sanctity of Marriage and call to repentance.

In my opinion, if Republicans want to regain the White House and Senate, they will need to support the sanctity of life by opposing abortion, support the sanctity of Biblical marriage of one man one woman and oppose a Palestinian state to divide Israel.
